PRESENTERS

Berry Reynolds

Private Client Manager, Mort & Co

How feedlots will contribute to Angus & Wagyu premiums over the next decade.

Jarrod Lees

Producer Engagement Officer, MLA

Jarrod will give an insight into the current and future beef markets along with managing eating quality through to turnoff and the carcass feedback that producers can receive.

Erica Halliday

Producer and Partner, Ben Nevis Angus

Erica will give her perspective on how the Angus breed can prosper from the current bullish Wagyu market along with how her production system is aimed at hitting MSA targets.

Each forum will conclude with a Q&A session and light refreshments.
