

Feedlot Manager

Grassdale Feedlot

Mort & Co is a leading beef feedlot specialist in Australia, and home to the internationally awarded Wagyu & Angus brands, The Phoenix and Grandchester.

Grassdale is now Australia's largest feedlot. Due to organisational growth and internal transfer, there is the opportunity for a motivated, positive team player to be part of the Mort & Co team in the capacity of Feedlot Manager at Grassdale. This role reports to the General Manager, Feedlots & Farms.

Key responsibilities of this role include:

- | | |
|---------------------------------------|--|
| • People and Culture | Build team and individual capabilities toward organisational effectiveness and enjoyment. |
| • Safe Production | Manage operations in accordance with Mort & Co's Safety Intent. |
| • Continuous Improvement | Identify opportunities and drive the process of continuous improvement in support of Mort & Co's strategic plan. |
| • Budget Control | Manage site overhead and capital budget formulation and execution. |
| • Livestock Performance & Development | Manage operations toward identified targeted outcomes for livestock. |
| • Training & Development | Implement training and development in line with Mort & Co's training framework. |
| • Community Engagement | Actively participate in local community initiatives. |
| • Quality Assurance & Compliance | Ensure quality assurance and business compliance requirements are met. |

The successful applicant will have:

- Excellent interpersonal and negotiation skills
- Generalist management skills and relevant employment experience
- Intermediate to advanced computer and technology skills
- A willingness to integrate with, and add to, the current Mort business and culture
- A considered and self-reflective approach to leadership

This is a unique opportunity to be part of a specialist lot feeding company with a continuing growth strategy. Grassdale is located within the Northern Darling Downs area of Queensland, in a dynamic regional centre best known for its agricultural production.

This is an exciting opportunity to join a well-recognised company that values integrity, systems and excellence. For further confidential enquiry and/or to make application, please refer to contact below. Applications should include covering letter and resume.
