A proudly Queensland brand, Mort & Co was first established in 1843. Today, managing director, Charlie Mort, along with our team, has grown to become one of the largest managers of feedlot cattle within Australia.

Gunnee Feedlot Pty Ltd has a permanent role available for the position of Maintenance Supervisor. Gunnee Feedlot is a 10,000 head cattle feedlot situated near the township of Delungra, 35km west of Inverell in northern NSW.

This position is ideally suited to a qualified heavy machinery mechanic who is looking for and who enjoys working with a broad scope and variety of work, ranging from mechanical to maintenance type functions. Alternatively you will be a bush mechanic with demonstrated experience in a similar role.

To be considered for this position you will need to demonstrate:

- Mechanical skills and experience of at least 5 years in a similar role
- Ability to organise work programs to ensure tasks are carried out in a timely manner and work is performed to a high standard
- Hands on attitude to the role and be prepared to work across various tasks from workshop to feedlot maintenance
- Ability to work independently as well as cohesively with a team environment
- A strong commitment to working in a safe manner and supporting a safe workplace culture
- Advanced communication skills

We look forward to hearing from suitable applicants with relevant experience

This position is supported by an attractive salary package, accommodation is available on site.
