

BUSINESS MANAGER - MEAT

OUR VALUES

• integrity

• innovation

• enjoyment

• excellence

• systems

A proudly Queensland brand, Mort & Co was first established in 1843. Today the Mort & Co Team has grown to become one of the largest managers of feedlot cattle within Australia.

We are looking for a Business Manager - Meat to join the team, this is a newly created position and will be reporting to the General Manager - Livestock and Meat. You will be responsible to drive the scale and profitability for Mort & Co Meat at an operational and strategic level.

The Role:

- Drive the global & domestic sales strategy
- Custom processing & cold store agreement negotiations & contracting
- System development, design, testing & implementation
- Manage the sales, operations, logistics & administration team personnel, structure & roles
- Collate forward sales plans with livestock/production schedules to provide a forward production plan
- Ensure all management reporting is systemised, accurate & timely
- Ensure that shipping/logistics are managed in an efficient & appropriate manner

Experience Required:

- Detailed knowledge of beef production & custom processing requirements
- Proven history of systems & process development & improvement
- Detailed knowledge of export supply chain management including sales, production, inventory management, logistics, documentation & administration functions
- Work both independently and manage within a team environment
- High level computer literacy and data processing skills
- Proven history of building successful & happy teams with a culture built on accountability
- Ability to travel extensively
- Excellent interpersonal and communication skills
- Self-motivated & driven

This is an exciting opportunity with a well-recognised company that value Integrity, Innovation, Enjoyment, Excellence and Systems.
