**A proudly Queensland brand, Mort & Co was first established in 1843. Today, managing director, Charlie Mort, along with our team, has grown to become one of the largest managers of feedlot cattle within Australia.**

Grassdale Feedlot is looking for an experienced, trade qualified Diesel Mechanic with a background of heavy road transport, earthmoving equipment and fixed plant to join our expanding team.

## We are looking for candidates with:

- Trade qualifications as a Diesel Mechanic or Diesel Fitter
- Minimum of 2 years post trade experience
- Proven ability to work well independently, as well as within a team environment
- Strong focus on workplace health and safety
- A history of being well organised and a passion for maintaining equipment to a high standard
- A willingness to learn and work within a dynamic, fast paced team
- A proven history of accurate record keeping
- Welding ability will also be highly regarded

## Key functions of this role, include all plant and equipment:

- Maintenance and general repairs
- Routine preventative servicing
- Fault finding and diagnostics

The selected candidate will be rostered to work a 10 and 4 off roster and provide their own tools for trade. The business maintains an attractive employment package including a work vehicle and is situated in between Dalby and Cecil Plains.

This position presents an opportunity to develop with an industry leading company and we look forward to hearing from enthusiastic, passionate people who want a career in the rural sector.

To apply please send a cover letter and resume to:

the Maintenance Supervisor, Grassdale Feedlot
