A proudly Queensland brand, Mort & Co was first established in 1843. Today, managing director, Charlie Mort, along with our team, has grown to become one of the largest managers of feedlot cattle within Australia.

Grassdale Feedlot currently has a vacancy within the maintenance team for a general maintenance hand. This role requires an enthusiastic person with a keen eye for detail to assist in maintaining our state of the art beef cattle facility.

Working directly with the Maintenance Supervisor and Coordinator, this position requires someone who:

- Enjoys being part of a dynamic team
- Has a strong focus on workplace health and safety
- Have experience in maintaining records and adhering to quality assurance procedures

Successful applicants will possess the following skills:

- Machinery operation (inc. front end loader, skid steer, tractors, trucks)
- General site maintenance (inc. concreting, weed control, water supply)
- General fabrication and repair of feedlot equipment
- Yard maintenance and repair
- Plant and site hygiene and housekeeping

The position presents an opportunity to develop with an industry leading company. The business maintains an attractive employment package and is located between Dalby and Cecil Plains.

We look forward to hearing from enthusiastic, passionate people who want a career in the beef sector.
